

Travelers Aid International Site Visits

National Museum of Mexican Art

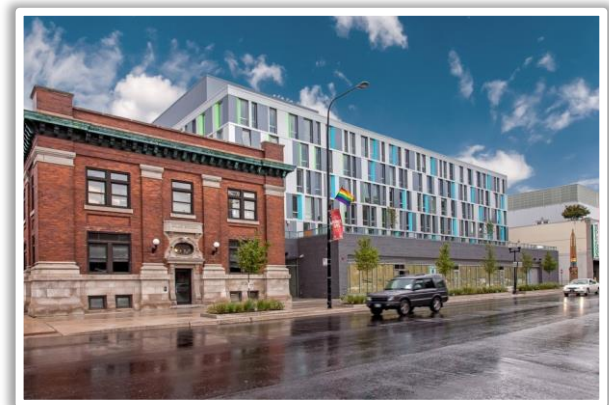

Located in the heart of Chicago, The National Museum of Mexican Art opened its doors in 1987 with a mission committed to accessibility, education and social justice. The Museum features 3,000 years of Mexican culture throughout their 9,000 seminal pieces. Attendees will receive a guided tour experiencing landmark exhibitions. The tour will kick off with a special guest speaker who will discuss refugee/immigration rights and ways in which we can assist these communities.

Nuestras Historias Exhibit

Center on Halsted & Town Hall Apartments

In partnership with Center on Halsted, Heartland Housing opened up the regions first LGBTQ-friendly affordable senior housing development. The project hopes to address the multi-faced disparities that seniors in the LGBTQ community face by providing a safe home and services. The Center on Halsted is the largest LGBT community center in the Midwest. The center is dedicated to advancing community and securing the health and well-being of LGBTQ communities throughout Chicagoland. Attendees will receive a guided tour by Malissa Rainey, Area Manager for Heartland Housing, and Britta Larson, Senior Services Director for Center on Halsted. Attendees will gain insight on how the community has worked to address issues that LGBTQ people face.

Town Hall Apartments Building

Welcome to Chicago!

In light of all this amazing city has to offer, we have prepared two enriching site visits for you to choose from. Both sites will have a tour guide that will take you through the facility and share the significance it has to the communities of Chicago.

The following information contains times and locations for departure and arrival. Please arrive to the meeting location 10 mins prior to departure to avoid delays. Transportation will be provided. Our final destination will be Pinstripes where guests will enjoy an exquisite cocktail hour.
